

Always thought that you don't have time to get involved?

Unions exist because they are made up of members. The more members who are actively involved in their union the stronger and more effective the union becomes.

Union membership is not just about how you are represented, it is also about taking part and understanding that every little helps towards achieving a constantly improving workplace.

Do you just belong?

Are you an active member,
the kind that would be missed?

Or are you just contented,
that your name is on the list?

Do you attend the meetings,
and mingle with the flock?

Or do you stay at home
to criticise and knock?

Do you ever go to visit
a member who is sick?

Or leave the work to just a few
and talk about the clique?

Think this matter over
– you know right from wrong.

Are you an active member,
or do you just belong?
